New Ginger fabric by Moda

Harper's carries Ginger fabric by Moda. Designer Stacie Bloomfield is the illustrator behind Ginger, a goods brand based in Springdale, Arkansas. Her fabric designs find the perfect balance of artfulness & playfulness in each illustration that are sweet enough for children but smart enough for adults.

Be sure to visit the Cedar Roe Library to see the **Fractured Fabric Society (FFS)** exhibit.

Driver's Ed for Sewing Machines

This class is a must when you don't know how to start your sewing machine. Maybe you inherited a sewing machine or dug one out of the closet. Bring your machine (newly serviced, if needed, we give free estimates), accessories including power cord, foot pedal, and owner's manual (we can order most books).
