Husqvarna Viking - Memorial Day Financing!

Come in between Wednesday, May 24 to Saturday, June 3 to get in on this great deal!

True Blue by Zen Chic for Moda

True Blue captures all the different hues we love about jeans – from white over pastel washed-out blue to powder blue, classic indigo to darker shades like midnight blue and nearly black. Modern reminiscences of Dutch Delft tiles make for beautiful large floral prints. Combined with medium-scale coordinates that are part geometric, part organic and small –scale blenders. Zen Chic’s True Blue offers everything a quilter’s heart – or denim lover – could want!
