Keeping up with COVID-19

We want you to know that your health and the health of our employees remains our first priority. We are actively following all guidelines and directives from the CDC as new information on COVID-19 becomes available.

Here are some of the precautions we have in place to encourage a safe shopping experience:

- ~ Disinfecting throughout the day; we are washing our hands often and keeping hand sanitizer on our counters
- ~ Using strict employee in-store hygiene practices
- ~ Monitoring the health of employees
- ~ Tissues and disinfecting wipes available for customers

At this time, we are still going forward with our planned classes. Our numbers are well below what is considered a large gathering (less than 10 people in the store at a time). This, of course, is a decision that is being made on a day-to-day basis. If you are not feeling well or experiencing flu-like symptoms, please stay home and visit us when you are feeling better.

Upcoming Classes

[Driver's Ed for Sewing Machines](#)

Saturday, March 21, 10am-noon

This class is a must when you don't know how to start your sewing machine. Maybe you inherited a sewing machine or dug one out of the closet. Bring your machine (newly serviced, if needed, we give free estimates), accessories including power cord, foot pedal, and owner's manual (we can order most books). We will demystify how to thread, operate, get you up and running so you can start or return to sewing. Let us help you!

sewing machine to beginning youth (8-15). Operation of a sewing machine includes threading, bobbin winding and installation, identification of proper settings, completing straight stitching and troubleshooting. Students bring their own machine or borrow one of ours. This class is a prerequisite to Youth Studio, unless you have been to a youth studio in the last quarter.

[Anything but Ugly](#)

Sunday, March 22, 1-3pm

Make this little sparkler with seasonal fabrics, colors or metallic prints in time to light up your Christmas decor! Highlight one print in the background or use a solid as the background with prints as the 'X's. This quilt has no blocks, just three shapes assembled into rows. A great design wall application; easy to make adjustments in the finished quilt size. Simple 'on point' construction!
Level: Confident Beginner
Instructor: Cynthia Schrader

[Nantucket Napper](#)

Monday, March 30, 2-4pm

Nantucket Napper is a fun little quilt just made for an afternoon rest. If you have a stash to bust, try the original Nantucket Napper. If you want a quick quilt made from pre-cuts, try the Jelly Roll version. Either way, we'll stitch up this sweet quilt and have some fun.
